ABOUT ME

Amateur globetrotter, aspiring handyman, tech enthusiast, and passionate creative. I enjoy working with a creative team to develop meaningful projects for clients. My background includes collaborations with a wide range of organizations—from small businesses to multinational corporations and public institutions.

Guided by curiosity, I take the time to understand each client's field, challenges, and goals. This thorough approach helps me capture nuances and convey messages through well-crafted, engaging content. I'm also intrigued by how creative organizations operate, aiming to foster an environment where collaboration flourishes, teams support each other, and everyone can perform at their best.

WORK

Head of Video - Vanselfie

Julil 2024 - Present

Managing the day-to-day operations of the team. Developing video concepts and formats tailored to client needs. I specialize in creative treatments and producing content that aligns with clients' branding, communication and marketing goals. My role also includes mentoring team members, optimizing workflows, and ensuring high-quality deliverables.

Video Director - iO (previously LVB)
